## To Whom It May Concern

**Re: Nayi Disha Resource Centre & St. Mira's College (Pune)  
Outreach Project Collaboration February and March 2022**

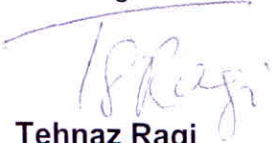

Nayi Disha Resource Centre and St. Mira's College (Pune) Psychology Department are collaborating in February and March 2022 in an Outreach Project to develop one of the national services on the Nayi Disha Online Platform – a National Directory of Service Providers for Individuals with Autism and Intellectual and Developmental Disabilities (IDD).

The Nayi Disha Resource Centre is a registered not for profit organization with an **online information resource platform that supports families of persons with Intellectual and Developmental Disabilities (IDD)**. The Nayi Disha Resource Centre website ([www.nayi-disha.org](http://www.nayi-disha.org)) has been developed with the objective of helping families of persons with IDD in their search to identify the right resources in their own city. The service provider listing includes special schools, inclusive schools, speech therapists, physiotherapists and special educators.

LIFEAsia Community Empowerment serves as the local Pune coordinator for populating the Pune providers registration and listings on the Nayi Disha Resource Centre platform. Our main focus has been to perform surveys of the specialist service providers in Pune and other cities, and encourage them to be listed, so that families can have access to a central source of valuable provider-related information. The secondary objective is in the parents and private provider registration area.

We are extremely grateful to Dr. Jaya Rajagopalan, HOD Psychology and Mrs. Palsetia, Student Coordinator, and the St. Mira's College students for their efforts ongoing collaboration and look forward to a long-continuing association.

Kind regards

## Report

### International Day of Persons with Disability- Interactive session with Shri. Suyash Jadhav- Dedicated and successful journey towards the achievement of Arjun Award

The Department of Physical Education had organised a guest lecture on the occasion of **International Day of Persons with Disability-** "Interactive session with Shri. Suyash Jadhav- Dedicated and successful journey towards the achievement of Arjun Award" on 2<sup>nd</sup> December, 2021. This lecture was conducted for all the students and staff to motivate and encourage them to participate in various fitness activities and sports. Total 110 participants (100 students and 10 Staff members) took the advantage of this webinar.

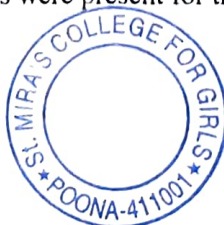

Shri Suyash Jadhav, Arjun Awardee and Para Olympian in Swimming were the guest of the interactive session. He said that Hard work is not an option for a successful career in sports ... He explained the importance of diet while making progress in sports. The best way to stay healthy and control your weight is to eat a low calorie, square diet. In one of his answers, Suyash stated that one should avoid fatty foods and exercise regularly.

There were restrictions on swimming practice due to the lock down of the corona virus while preparing for the Tokyo Olympics. But even in that environment, the emphasis was on maintaining more and more fitness. He also took care not to affect his physical and mental health. Answering a question, he said that if you want to achieve a higher goal, you have to work hard and keep up the practice. All students should consider the importance of fitness in school and college life. He also said that if you want to make a career in sports, you have to focus on the whole game. At last he said that the place of his parents and coach is very important in his life. I have been instrumental in guiding my life, which is why I have been able to succeed in my career.

**Report on Barrier free access of drinking water and toilet facilities for Divyang students**

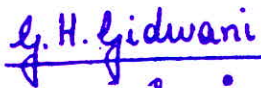

As a part of the Swachhata Pakhwada being observed between Jan 16<sup>th</sup>-31<sup>st</sup>, 2020, the Green Club Staff interviewed Divyang College Students regarding drinking water facilities and toilet facilities availed to them. They were asked –

- Whether they have access to good drinking water in college
- Do they face any problems while using college washroom
- Are there adequate facilities provided to tailor their needs
- Are there any add-ons that can be incorporated for their convenience

The students were quite interactive and welcomed the questions with a smile that were put up by Green Club Teachers. They expressed their points with no hesitation to teachers. They were satisfied by the facilities provided to them by college and had no recommendations. Their valuable time helped the college to have a good review on college facilities for Divyang Students and do the needful if necessary.

To

The Principal

St Mira's College for Girls

6, Koregaon Road

Pune 411001

Dear Madam,

On behalf of **Helplife**, an NGO for physically challenged girls, I would like to thank you and your college for the social outreach programme conducted by you at **Helplife** in the academic year 2018-19. In addition to the core group of 11 girls your college supported the NGO whole heartedly.

The students of **St Mira's College for Girls** helped train the girls and make handicrafts that were sold at various bazaars. They organised a "One Kuttori" drive to raise food, they also helped organised the All India Suman Magotra Award Ceremony. They trained the girls to dance and choreographed the fashion show.

In addition they raised money and brought about awareness on menstrual hygiene by selling sanitary napkins packaged by the **Helplife** residents. They also collected clothes for the girls. The students will also help write matrimonials for the **Helplife** girls, manage the facebook page etc. They wrote academic papers which was presented at their seminar to bring about awareness about myths and taboos regarding menstruation and differently abled bodies.

It has been a very fruitful and rewarding relationship.

Thank you

Respected Sir/Madam,

Helplife is registered public charitable trust working towards underprivileged and differently abled girls and women based at NIBM Road Kondhawa. The mission of "Helplife is to enrich the lives of the underprivileged community through precise research, focused intervention, professionalism, and innovative rehabilitation programs in diverse areas focusing on physical and emotional well being." Our registration number is E-2856.

Helplife is currently working actively for differently abled girls through their innovative internship programme with the express purpose of mainstreaming them into society by empowering them to become professionals and independent members of society. This programme addresses physical, mental and social rehabilitation of the interns that have come from impoverished backgrounds with no educational or financial support.

We are currently supporting 20 girls for their accommodation, education, travel, medical and mess/grocery expenses. These girls come from rural underprivileged background. When they enter Helplife, they have a lot of vitamin and mineral deficiencies and also low haemoglobin count. We first focus on their health and nutritional needs in order for them to build their physical capacity/stamina for them to become independent citizens in society. These girls are residing in 3 different flats around NIBM Road.

**Ayushi Halder** is a volunteer working at Helplife and are assisting Helplife with some activities which are beneficial to the organisation

Your support enables us to enroll more such girls in Help Life. Your help makes a difference. We truly appreciate your kind gesture.

Koregaon Park, Pune**

7.18

On Wednesday, 18<sup>th</sup> July 2018, the Green Club volunteers undertook the first official activity of the year through a Social Outreach Programme for the benefit of the visually impaired. The activity was dedicated to our Spiritual Guru and Mentor, the late Dada J.P. Vaswani. Volunteers collected newspapers from their homes, neighbours and classmates, sold the same to a third party (raddi or waste paper disposal) vendor and thus generated funds to the tune of Rs. 2000. These funds were used to purchase about 500 Braille paper sheets required by inmates of the Poona Home and School for the Blind, located at Koregaon Park, Pune. The four volunteers made sure to personally deliver their Braille papers at 1 pm and interacted with the inmates. Through this massive collaborative effort, the students demonstrated sensitivity and empathy towards others, learned the power of dedicated effort, and how to balance learning with experience.
