Green Club Introduction in FY SIP

On 8th Sept. 2020, as a part of the Student Induction Programme, the Green Club faculty members organized an Orientation Session for the First year B. Com, BA, BBA, BBA(CA) and BSc. (CS) students of the College on Zoom meeting platform. The students were oriented about the purpose and activities of Green Club. The platform also served a stage to bring forth discussion over pressing environmental concerns. It was delightful to know how many of the participants are doing their bit to protect environment.
